# Flag-Extender™ Assembly Drawing (Rod only)

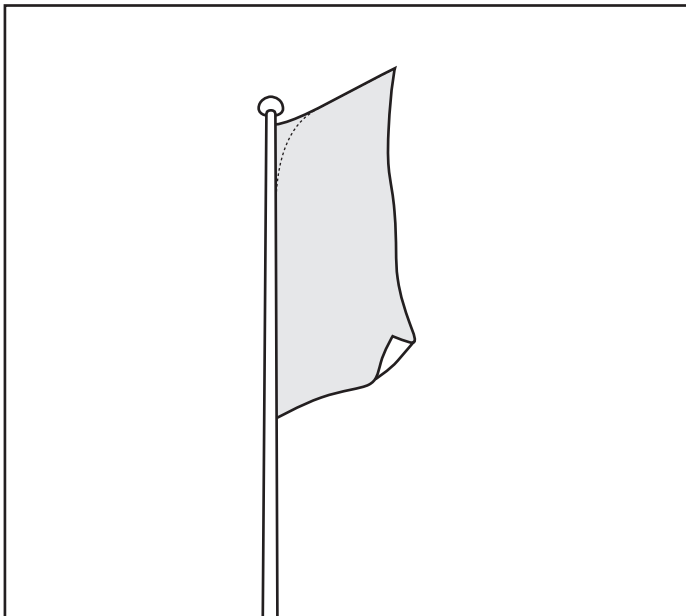

1 Hoist the flag to a level where you can still reach it's upper edge.

2 There are 2 pockets on the flag. Pocket **A** and pocket **B** are for the long rod.

Push one end of the flexible rod to the bottom of pocket **A**.
Bend the rod and push it's other end to the bottom of pocket **B**.

3 Hoist the flag in the usual manner.
